Phoenix, AZ

The Arizona Department of Transportation and the Federal Highway Administration continue to study the proposed South Mountain Freeway and invite you to attend a public meeting to learn about recent changes to the proposed connection with Interstate 10. In response to declining funding for regional projects, the Maricopa Association of Governments' Regional Council voted in October 2009 to approve the revised regional plan. The following changes were included for the South Mountain Freeway:

- Reduce the proposed freeway to eight lanes (from the previous 10-lane concept)
- Shift the Western Section alignment between Lower Buckeye Road and I-10 to connect at 59th Avenue (rather than 55th Avenue).

This public information meeting will be held to discuss how a South Mountain Freeway connection at 59th Avenue might affect you and your property. The purpose of the meeting is to provide an overview of the study and the proposed connection at 59th Avenue, discuss the study and right-of-way processes and schedule, and provide the opportunity for members of the community to ask questions and provide input. A brief presentation regarding the recommendations will be made at the meeting, followed by an open house where representatives from the study team will be present to answer questions.
