

McDowell Road Narrowed Between Clubhouse Drive and Cotton Lane/Loop 303

9 A.M. MONDAY, JAN. 16 THROUGH FRIDAY, FEB. 17

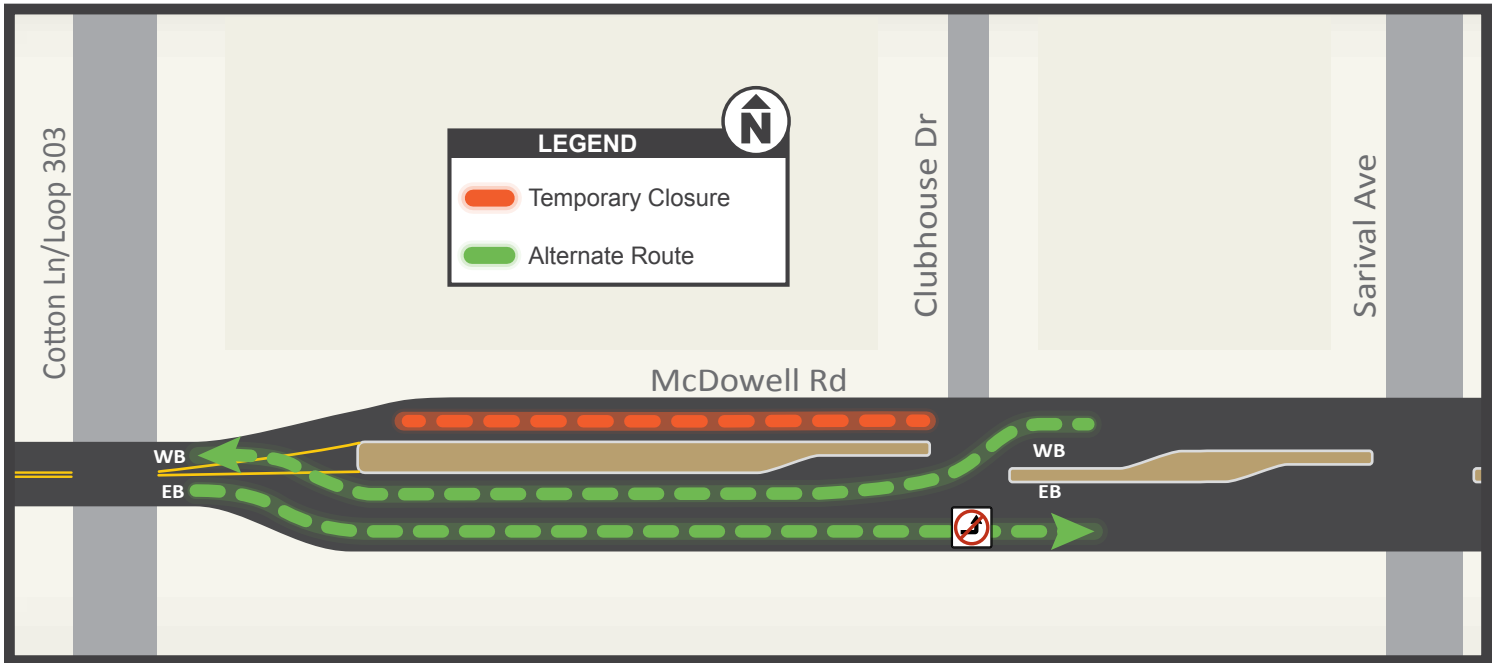

PROJECT CONSTRUCTION

The Arizona Department of Transportation has begun construction on the Loop 303/I-10 Interchange in Goodyear. Crews will be performing sewer-line work on McDowell Road from mid-January to late-February, as part of the interchange construction.

WHAT TO EXPECT

East- and westbound traffic on McDowell Road will share the roadway south of the median between Clubhouse Drive and Cotton Lane/Loop 303. No left turns from McDowell Road eastbound onto Clubhouse Drive.

Pebble Creek Access: Use McDowell Road eastbound to Sarival Avenue northbound.

ADOT appreciates your patience during construction of the Loop 303/I-10 Interchange, which will conclude in Fall 2014.
